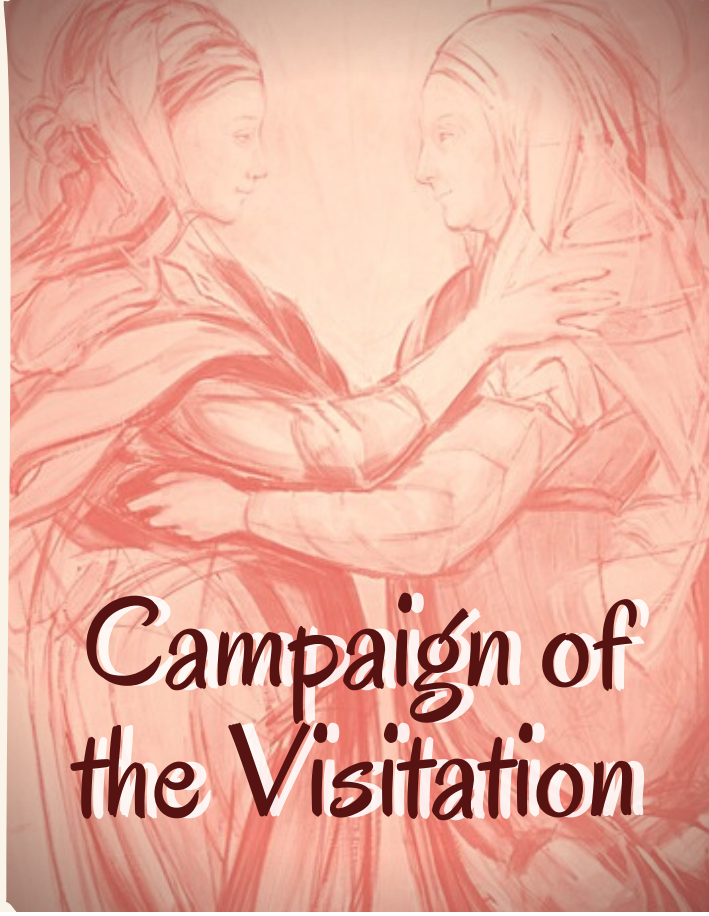
MILITANTS OF MARY



Campaign of the Visitation

What is it?

A period of three months in which we will especially imitate Our Lady in her attitude of joy and service. The same care she brought to St. Elizabeth in the Visitation!

When?

It takes place from May 31st until October 7th

What is the goal?

To bring young people to God through the Sacraments and to "Christianize" the paganized summer by serving.

How can we live it?

- Do not complain about anything, especially the weather
- Pray the Rosary with fervor
- Go to the Sacraments
- Forget about weariness
- Be generous with your time
- Share your talents
- Visit a sick person
- Perform your duties well
- Do not waste your time doing worthless things
- Pray for missionaries
- Pray for the purity of young people
